ANNUAL DAY 2026

APPRECIATION MESSAGES • THE INDIAN SCHOOL

APPRECIATION NOTE 01 | Respected Principal,

I am writing to express my heartfelt gratitude and extend my warmest congratulations to the entire school fraternity for organising such a dazzling and memorable Annual Day.

The Annual Day was a wonderful celebration of creativity and talent, backed by careful planning, seamless precision and a great deal of hard work. The smooth flow of the programme, the well-coordinated execution of the performances, the technical arrangements and the attention given to even the smallest details made the evening truly memorable. In short…. it reflected the dedication, teamwork and commitment to excellence that are integral to the ethos of “The Indian School”.

The theme of “Migration” was particularly meaningful and thought-provoking. Its portrayal through music, dance and short plays beautifully highlighted the challenges, aspirations and experiences associated with migration, leaving me and my wife deeply moved and enlightened.

As a proud parent, it was a delight to see my children participate in the musical and dance performances. Watching them perform with such confidence, enthusiasm and team spirit was truly heartwarming. Their performances showcased not just their talent but also the dedication, discipline and values that the school has nurtured in them.

I would like to express my heartfelt appreciation to the principal - Ms. Tanya Joshi, the teachers, choreographers, music instructors and support staff for their hard work and dedication in making the event such a success. Your guidance, encouragement and efforts were evident in every performance.

Thank you for creating such wonderful memories. I wish the school continued success in all its future endeavours.

APPRECIATION NOTE 04 | Respected Principal Mam and Teachers,
I would like to extend my heartfelt appreciation for orchestrating such a spectacular Annual Day celebration. The entire event was meticulously curated and truly a visual delight.
I was particularly enthralled by the performance on the Michael Jackson medley. It was refreshingly progressive and empowering to see the girls taking centre stage and leading a high-energy hip-hop number with such confidence, precision and flair. Their choreography was electrifying and their stage presence was commendable.
While the boys also contributed with great enthusiasm from the supporting formation, the decision to promote our girls to the forefront, sends a powerful and much-needed message of gender inclusivity and empowerment. It was a wonderful example of shattering stereotypes.
Kudos to the dance teachers and the entire organizing team for their vision and efforts. The children have not only showcased talent but also imbibed a valuable lesson in equality.
Looking forward to many more such inspiring celebrations.
Warm regards,
Parent of Kimaya and Anaya Sharma

APPRECIATION NOTE 05 | Dear Ma'am,

The Annual Day of The Indian School, held on 11 October 2026, was truly a mesmerising experience. The theme of “Migration” was brought to life through a beautiful and deeply moving narrative that traced the journey of people, food, traditions and cultures across places and centuries.

The programme was a wonderful blend of education, music, colour and emotion. While the vibrant performances filled us with joy, the poignant depiction of displacement, the human quest for gold and, above all, the emotional portrayal of the Partition of India touched our hearts deeply. It was a powerful reminder of the human stories behind history and the experiences that shape our shared heritage.

Every child performed wonderfully, and it was a delight to witness their confidence, talent and enthusiasm. The scale, creativity and seamless execution of the entire programme were simply outstanding. One can only imagine the enormous effort, countless hours of preparation and collective dedication that must have gone into bringing such a magnificent production to the stage. My sincere appreciation to all the teachers, the school management and every member of the team who worked tirelessly behind the scenes to make this event such a resounding success.

The school's philosophy of “Edutainment” was evident in every aspect of the programme. It was not merely an annual function; it was an enriching experience that educated, entertained, inspired and moved us in equal measure.

A special word of appreciation and gratitude for the Principal, Mrs. Tanya Joshi, whose leadership deserves particular recognition. Her ability to inspire and motivate, while remaining supportive of her teachers and staff, is truly admirable. Such a wonderful event reflects not only the talent of the children but also the vision, encouragement and collaborative spirit nurtured under her leadership.

Congratulations to The Indian School for creating an evening that will remain etched in our memories for a long time. As parents, we feel immensely proud and grateful to be part of a school that goes beyond academics to nurture creativity, empathy, cultural awareness and a deeper understanding of the world around us.

Heartfelt congratulations and a big thank you to everyone who made this unforgettable evening possible!

APPRECIATION NOTE 07 | Dear Indianite Team,

It was a privilege to be invited to your Annual Day celebration. I was truly impressed to see how schools have evolved in showcasing not only the talents of their students but also the dedication and creativity of their faculty. The celebration went far beyond traditional dance performances, bringing important contemporary issues and themes that reflect the realities of our society to the stage through thought-provoking debates and performances.

The event was also quite emotional, as it resonated with the journeys of many parents who have migrated from their hometowns in pursuit of jobs, education and better opportunities, leaving behind their familiar surroundings, childhood memories, homes, and families.

On a personal note, I was especially delighted to see my daughter, Habiba perform on stage for the very first time, in front of hundreds of unfamiliar faces. She has never been particularly fond of dancing but seeing her gradually develop an interest in dance, improve her moves and most importantly, gain confidence was truly heartwarming. It was wonderful to witness her transform into a braver, more confident version of herself.

Thank you for organizing such a meaningful and memorable event. It was not just a celebration of talent but also of growth, courage, creativity and the beautiful journey of childhood.

Warm regards and heartfelt appreciation to the entire team!

The entire family of Habiba Azeem

(Class- BV- I, Capella)

APPRECIATION NOTE 08 | Respected Principal and school management,

We would like to express our heartfelt appreciation for the wonderfully organised Annual Day centred on the theme “Migration – Journeys that Shape Us”. It was a joy to attend the event and watch our daughter, Nirvi Nasa of Class 1, participate in a group dance performance.

The theme was thoughtful and meaningful, and the way it was brought to life through the performances was truly impressive. The children’s enthusiasm, the choreography, the costumes and the overall presentation made the evening a memorable experience. Managing an event of this scale, with what appeared to be around a thousand participants and a similarly large audience, must have required tremendous planning, patience and teamwork. We sincerely appreciate the efforts of the school management, teachers, support staff and everyone who worked behind the scenes. The care and dedication invested in preparing the children were evident throughout the programme.

We would especially like to thank Nirvi’s class teacher, Ms. Shikha Sharma Ma’am, for her constant support, care and encouragement. Her hard work towards the children’s overall development, confidence and positive behaviour means a great deal to us as parents. We are very happy and grateful that Nirvi has such a caring and dedicated teacher guiding her.

Thank you for giving the children an opportunity to express themselves, work together and create such happy memories. Watching Nirvi perform alongside her classmates was a proud and special moment for us.

Our warm congratulations to the entire school team. We wish The Indian School continued success and look forward to many more such meaningful and beautifully presented events.

Warm regards,

Ravi Nasa

Father of Nirvi Nasa

APPRECIATION NOTE 09 | Respected Principal Ma’am and Dear Teachers,

I would like to express my heartfelt gratitude and appreciation for the wonderful Annual Day presentation, especially the act on Partition and the theme of Migration.

This was not just a performance; it was a deeply meaningful and thought-provoking presentation of a significant chapter in our history. While people often talk about Partition, presenting this sensitive topic with such depth, understanding, and sensitivity is truly commendable.

The way the entire concept was brought to life was beautiful and impactful. It went beyond the usual storytelling and encouraged us to think at a much deeper level about the pain of separation, the challenges of migration, the emotions of people who had to leave their homes, and the human stories behind these historical events.

I especially appreciate the thought process behind choosing and presenting this topic. It was a wonderful way to help children understand history not merely as dates and events, but as real human experiences that teach us empathy, compassion, resilience, and the value of humanity.

My sincere thanks to our respected Principal Ma’am , all participants and all the teachers involved for their vision, dedication, creativity, and tremendous efforts in bringing such a meaningful concept to the stage. Guiding children to understand and express such a significant subject is no small achievement.

The presentation was truly beyond expectations and will remain memorable for both children and parents. It is heartening to see the school creating opportunities for children to learn, think critically, and develop a broader perspective on the world around them.

Thank you for making this Annual Day not just a celebration of talent, but also an experience of learning, reflection, and understanding. Your efforts deserve immense appreciation.

Warm regards,

Deepika Arora

APPRECIATION NOTE 11 | Dear Taniya M’am,

My name is Prabhu, father of Adhya (Class XI) and Akshara Ram (Class IX).

I have been meaning to write to you for some time, but work travel and Adhya’s health unfortunately delayed this.

I wanted to take this opportunity to congratulate you, the school, all the teachers and students, and most importantly, you for your leadership and stewardship in putting together such a remarkable Annual Day.

The vision, scale and execution of the programme were truly exceptional. It was an emotionally moving experience, bringing a lump to my throat and, at moments, tears to my eyes. What stood out even more was the sensitivity with which the theme was approached, and the remarkable balance of creativity, discipline, collaboration and companionship that came through in every performance.

Beyond the spectacle, what made the evening special was the underlying message and the values it reflected. It was evident that this was not merely an event put together for a day, but a reflection of the culture, ethos and environment that the school nurtures in its students.

As a parent, it was immensely gratifying and reassuring to witness this. My sincere appreciation to you and the entire team for creating an experience that will stay with us long after the evening itself.

Warm regards,

Prabhu
