

HOLIDAY ACTIVITY FOR CITIZENSHIP PROGRAMME

In continuation of the competition hosted by the Citizenship Programme last year, we are launching our competition for this year during the summer holidays. To make it even more competitive (and fun), this competition is open to not only our dear students, but to their teachers and parents as well! There is no limit to the entries that can be submitted.

CATEGORY 1 – open to students of classes 5-12, all teachers and all parents.

Write an essay (200-300 words) on any one of the following topics:-

OPTION ONE - Who would you consider to be the most influential/dynamic personality in New Delhi/India during the past year and why?

OPTION TWO- If your heart and soul reverberate for Delhi, then pen your thoughts about the city and prove yourself to be a true and ardent “dilliwalla”.

(Delhi is a palimpsest, India's melting pot, an interesting juxtapose, a position of the old and new world. For gourmets it is a moveable feast, - for shoppers it is a veritable paradise.

Tree lined avenues have an exuberance that is characteristically Indian. The Metro is a commuting breeze and autos are its lifeline. Delhi is a Mecca for education .The Yamuna is dying but CNG and the “No to polythene” campaign is trying to keep Delhi green. Its oomph and zing or malice towards one and all has sculpted Delhi's culture.)

OPTION THREE – What do we owe to the senior citizens of our society today?

With the fast changing socio-economic scenario of India, and the breaking of the joint-family system, the most affected is the older generation. How can the younger generation help the latter overcome its medical/social/financial/legal problems ?

CATEGORY 2 - open to students of classes 1-12, all teachers and all parents

Sketch an eye-catching logo (4”x4”) best depicting one of the following themes:

- 1 Say no to plastic bags
- 2 Beti bachao
- 3 Go green
- 4 Save the Yamuna

All entries must be neatly labeled. Students must write their names and classes clearly and submit them to their class teachers after the holidays.

Teachers and Parents must write their names and telephone numbers and submit their entries at the School reception in a sealed envelope addressed to Ms. Sangeeta Aswani or ideally email the same to citizenship.tis@gmail.com
