Subject: Choice of Subjects for Class IX

Dear Parents,

This is to inform you about the subject options available for students in Class IX under the CBSE curriculum for the academic session 2025-2026.

As per the guidelines of the CBSE, each student in Class IX must select five subjects, which include two languages and three main subjects. The language subjects are categorised as follows:

1. Subject 1 (Language-1):

Choose any one of the following:

- a. English Language and Literature
- b. English Communicative

2. Subject 2 (Language-2):

Choose any one language from the following:

- a. French
- b. Hindi
- c. Sanskrit

Students are required to select their languages from the options available under Subject 1 and Subject 2. A consent slip regarding the choice of languages (Subject 1 and Subject 2) needs to be signed by the parents and returned to the school.

Please ensure that the choices are made carefully and the consent slip is submitted to the school no later than **5th February 2025**. Any changes to this will not be entertained on a later date. This will help us in streamlining the subject allocation process and ensuring the correct curriculum is followed for each student.

Thank you for your cooperation.

Regards,
Principal
The Indian School
