

Pre-Primary My Special Box

Dear Parents,

A warm welcome to the new academic session for our Pre-Primary students!

We are excited to begin this wondrous journey of learning and self-discovery with our little ones.

To mark this joyful beginning, we are organising a fun and engaging activity titled "My Special Box". This activity will prompt the children to express themselves and build confidence as they go about sharing a few details about themselves.

Activity Details:

Each child may carry a small box made from recycled material. The box should include a few of his or her favourite things. For example,

A small toy

A drawing made by the child

A favourite coloured object

A fruit (real or toy)

Any other small meaningful item of the child's choice.

The children will use the items in the Special Box to speak a few simple lines about themselves in class.

Schedule:

Monday (6.4.26): Roll Nos. 1-10

Tuesday (7.4.26): Roll Nos. 11-20

Wednesday (8.4.26): Roll Nos. 21-30

Thursday (9.4.26): Roll Nos. 31-40

Suggested lines for children:

My name is _____.

I am _____ years old.

This is my special box.

My favourite toy is _____.

My favourite colour/fruit is _____.

ABOUT
ME

We request all parents to kindly encourage the child to participate, as it is an important part of our learning process and helps in building confidence and communication skills.

We look forward to your support in making this activity a joyful and memorable experience for our children.

Coordinator,

The Indian School
